# Bonbon Shade

## Design by Ana Kraš

Inspired by her drawings, Ana Kraš' woven Bonbon Shades are produced using an original technique to create textured, one-of-a-kind pieces. Every shade is hand woven with nylon-wool yarn around a powder-coated steel frame, resulting in individual lampshades that vary slightly in their appearance and surface aesthetic. Bonbon is available in several designs and sizes – as table/floor lamps or pendants – depending on the chosen cord set, but stands equally well alone as a powerful decorative object even when the bulb is not switched on.
