## Valentine Bedside Table by Matthew Hilton

The Valentine bedside table is made with a solid oak base and veneered oak carcass. It features the signature tapered leg detail of the Valentine range, which lends a visual balance to the piece.

Raised up from the ground, the bedside table creates a feeling of space by keeping sight lines around the room clear. Additionally, it makes it far easier to clean around the bedroom furniture.

Made with a solid natural oak, walnut or wenge base and body, it has two open-fronted shelves for storage.
