

**Valentine Chest of Drawers** by Matthew Hilton

## Valentine Chest of Drawers by Matthew Hilton

This contemporary chest of drawers by Matthew Hilton features the signature tapered leg detail of the Valentine range, which lends a visual balance to the piece.

Raised up from the ground, the chest creates a feeling of space by keeping sight lines around the room clear. Additionally, it makes it far easier to clean around the bedroom furniture.

Made with a solid natural oak, walnut or wenge base and body, it has soft closing drawers and inset-turned solid wood flush fitted handles.
