PRODUCT FACT SHEET

# VIRKELYST

Virkelyst is a modern outdoor series characterised by clean lines, discreet details and high comfort. Perfect for socialising and relaxing for hours in sunny gardens or terraces. Uniting beauty with resilience, the weatherproof upholstery is OEKO-TEX®-certified and extremely colourfast and lightfast as well as water and dirt-repellent and mildew-resistant.

## PRODUCT TYPE

Lounge chair  
Sofa  
Pouf  
Lounge table  
Table

## ENVIRONMENT

Outdoor

## DESIGNER

Says Who

## MODELS

### Seating units:

Lounge chair  
2-seater sofa  
3-seater sofa  
Pouf

### Table units:

Table (H38)  
Table Small (H30)  
Table High (H66)

## MATERIAL

### Wood:

Teak (Untreated)

### Cushions:

Outdoor textile  
Fast-drying outdoor foam

The cushion range for the UK/IE is different from the main collection in order to meet local fire regulations\*.

## CERTIFICATION

- Wood: FSC™ FSC-C120451: The wood used for Virkelyst is FSC-certified (FSC 100%) The FSC-certification ensures the wood is from responsible and environmentally managed forests that preserve the natural surroundings and support the local community.
- Textiles: OEKO-TEX® STANDARD 100

For more information about environment and manufacturing processes, please download our environmental information sheet at: [fritzhanzen.com](http://fritzhanzen.com)

## TEST

Table High: EN 581-1:2006, EN 581-3:2017

## SPECIFICATIONS\*

**Wood:** New wooden, teak furniture has natural colour differences found in the freshly cut wood. Once the furniture has been exposed to the sun, these colour differences will even out. As a natural part of the aging process, the surface of teak will change when first being exposed to rain; this is the first stage of a process of wood that ages with beauty.

\*For details specific to UK/IE go to p. 5.

**Textile:** The textiles are Oeko-Tex-certified and extremely colour and lightfast, water and dirt-repellent and even mildew-resistant.

**Cushions:** The fast-drying outdoor foam provides a firm and comfortable seat that retains its shape year after year. The open-cell structure allows both water and air to pass through ensuring the cushion dries exceptionally quickly, even after a heavy downpour. Wadding is used to obtain an intended aesthetic expression and reach the optimal comfort level. Made of carded thin polyester fibres, Wadding is mainly used as a secondary filling. To ensure cushions remain beautiful over time, it is good practice to avoid them being left wet for prolonged periods, e.g., by turning them upright to let water run off or storing them in a dry environment.

#### WEIGHT

Chair:	23,0 kg / 50.7 lb
2-seater sofa:	32,0 kg / 70.5 lb
3-seater sofa:	36,0 kg / 79.4 lb
Pouf:	13,0 kg / 28.7 lb
Table (H38):	31,7 kg / 69.9 lb
Table Small (H30):	10,5 kg / 23.1 lb
Table High (H66):	31,7 kg / 69.9 lb

#### COUNTRY OF ORIGIN

Wood origin: Indonesia  
Cushions: Spain

#### PRE-ASSEMBLED

No

#### PACKAGING

The units are shipped in a recycled cardboard box.  
The cushions are wrapped in a plastic bag.  
All packaging material can be recycled.

#### CLEANING AND CARE

Find recommendations for cleaning and care at:  
[fritzhansen.com/maintenance](http://fritzhansen.com/maintenance)

#### REPAIR, DISPOSAL AND REUSE

In case of repair and disposal the units can be disassembled into parts. All parts can be recycled. Check local regulations for recycling options and whether there is potential for reuse.

#### WARRANTY

Fritz Hansen provides a five-year warranty on standard products against defects in materials and workmanship.

Additional warranty conditions can be found at:  
[fritzhansen.com/warranty](http://fritzhansen.com/warranty)

### IMPORTANT NOTE!

Under current UK law, Fritz Hansen is not able to provide outdoor cushions and pillows with the same filling as the regular collection. We still offer cushions and pillows in an outdoor textile with weatherproof properties, but the filling is not weatherproof due to stringent (indoor) fire regulations. We therefore recommend that you bring cushions and pillows indoors in heavy rain and when they are not in use. The FR cold foam provides a firm and comfortable seat that retains its shape year after year. The FR cold foam is not weather resistant, and therefore it is recommended to store the cushions indoor when not in use and during heavy downpour. To ensure cushions remain beautiful over time, it is good practice to avoid them being left wet for prolonged periods, e.g., by turning them upright to let water run off or storing them in a dry environment.
