Result & Pyramid | New variants

Originally created by Friso Kramer and Wim Rietveld while working at Ahrend in the 1950s, the Result collection has been updated in new models and colours. The iconic chair is now available with armrests, which elevates the functionality and comfort level. Fully upholstered versions are now also offered, as well as the addition of a new Tomato Red frame for both the Result Chair and Pyramid Table collections- a vibrant tone that adds a contemporary slant to the classic design.
